

# KĪPSALA

## ATTRACTIONS:

1. **Kipsala Beach.** A small, peaceful beach overlooking the towers of the Old Riga that enables you enjoy nature and relax in the very heart of the city. Balasta dambis 24, Riga, LV-1048
2. **City Yacht Club.** The City Yacht Club marina is one of the largest and most modern ones in the Baltic States. Balasta dambis, Riga, LV-1048
3. **Žanis Lipke Memorial.** A deeply moving museum dedicated to Žanis Lipke, who saved dozens of lives during World War II. Mazais Balasta dambis 9, Riga, LV-1048
4. **Balasta Dambis.** It developed on the site, where the city of Riga provided a place for sailing ships that arrived in Riga to unload excess ballast in the 18th century. It is one of the most beautiful places to walk in Riga, with panoramic views of the Old Riga and the Daugava River. Here, an ensemble of historic wooden buildings (UNESCO heritage) combines with a modern environment.
5. **Ola Foundation Complex.** The contemporary glass and concrete building, symbolically shaped like an egg, combines art, music, education and spatial experimentation to create a multi-layered and experiential environment. Ogļu iela 12a, Riga, LV-1048
